Children explore the associations between music, sounds and colour, building up to composing and, as a class, performing their own musical composition to represent Holi, the Hindu festival of colour, which celebrates the beginning of spring and the triumph of good over evil. Holi celebrations include people throwing and smearing each other with vibrant, multi-coloured paints and powders.

Key Points of Learning

Pupils who are secure will be able to:

- Suggest a colour to match a piece of music.
- Create a graphic score and describe how this matches the general structure of a piece of music.
- Create a vocal composition in response to a picture and justify their choices using musical terms.
- Create a vocal composition in response to a colour.
- Record their compositions in written form.
- Work as a group to perform a piece of music.

Sing Up at Home
Sing along - at home, at school, wherever you are

All around us, the world is changing and we're all adapting to new challenges. With so many children and young people now staying at home, we want to ensure that they are still able to experience the benefits of singing.

Music and singing are incredibly powerful, and can help support us in so many ways - emotionally, physically and intellectually. The benefits are endless, and supporting singing is central to our philosophy at Sing Up.

Explore all our free resources below or in this handy A-Z list to keep kids learning and singing outside of school. Feel free to add these pages to your school's website or VLE and encourage families to visit too.
