The banner for 'Sing Up at Home' features a light blue background with white clouds and a smiling sun icon on the right. The text 'Sing Up at Home' is in a bold, blue font, with 'Sing along - at home, at school, wherever you are' in a smaller, blue font below it. At the bottom, there are three icons: a blue box with 'Sign up for updates', an orange box with 'Leavers celebrations', and an orange box with 'Song of the week' and a small icon of a book and a pencil.

All around us, the world is changing and we're all adapting to new challenges. With so many children and young people now learning at home, we want to ensure that they are still able to experience the benefits of singing.

Music and singing are incredibly powerful, and can help support us in so many ways - emotionally, physically and intellectually. The benefits are endless, and supporting singing is central to our philosophy at Sing Up.
