Overview

Children explore different ways of joining fabrics before creating their own hand puppets based on an Easter-themed character. Throughout they work to develop their technical skills of cutting, attaching and glueing.

Key Points of Learning

- I can use a template to create a design for a puppet
- I can cut fabric neatly with scissors
- I can use joining methods to decorate a puppet
- I can sequence steps for construction
- I can reflect on a finished product, explaining likes and dislikes
