- Fit an existing melody over a four-chord backing track.
- Create a melody that fits both the lyrics and the four-chord backing track of the chorus, using tuned percussion instruments.

**Sing Up at Home**  
Sing along - at home, at school, wherever you are

All around us, the world is changing and we're all adapting to new challenges. With so many children and young people now staying at home, we want to ensure that they are still able to experience the benefits of singing.

Music and singing are incredibly powerful, and can help support us in so many ways - emotionally, physically and intellectually. The benefits are endless, and supporting singing is central to our philosophy at Sing Up.
