

Non-Allergen Related Requests

Vegan Suitable Menu Requests

Our Vegan Suitable Menu caters for children following a vegan diet. Our development chefs work hard to ensure the vegan menu is aligned as closely as possible to the school's main menu, using our special diet (SD) and vegan certified ingredients, to ensure all pupils can enjoy eating similar meals together.

Parents/carers wishing to request a vegan suitable menu for their child must complete a Medical Diet Request Form **ONLY**, selecting the Vegan option box at the bottom of the form. *Please note that our Vegan Suitable Menu is not suitable for those with a diagnosed allergy/ intolerance – all children with a diagnosed allergy/intolerance must request a Medical Diet Menu.*

We also cater for Specific Medical-Related Dietary Needs, such as:

- Diabetes
- PKU
- Cystic Fibrosis
- Ketogenic diet
- Cystic Fibrosis
- Texture Modified Dysphagia

In these instances we are able to provide a *bespoke managed menu* or *nutrient counts*.
