## Overview

We will learn how Sikhs live their lives according to their beliefs. This includes things they can do locally or travelling to a place of pilgrimage. We will talk about differing levels of commitment.

## Key Points of Learning (RAG at end of each session)

I can say what I love doing

I can think of ways to show commitment

I can talk about the practices of committed Sikhs

I know what the 5Ks are

I can recognise the Sikh flag

## Questions I want to Investigate now ...

How might Sikhs feel if they visit the Golden Temple?

What do I do that shows my commitment to something I'm passionate about?

Is there anywhere in the world that would be special for me to visit?
