Sing Up at Home
Sing along – at home, at school, wherever you are

All around us, the world is changing and we're all adapting to new challenges. With so many children and young people now staying at home, we want to ensure that they are still able to experience the benefits of singing.

Music and singing are incredibly powerful, and can help support us in so many ways – emotionally, physically and intellectually. The benefits are endless, and supporting singing is central to our philosophy at Sing Up.
