Pupils will sketch a pattern from observation before creating a sculpture from clay, using etching skills. They will be designing and creating a 3-D model of a creature. Pupils will be working as a class to recreate Louise Bourgeois' Maman spider sculpture, the pupils will plan and create the legs and body of the spider. They will then paint it to give it a metallic, bronze effect.

## Key Points of Learning

I can use moulding clay to make different shapes and create a sculpture.

I can make patterns by repeating motifs.

Recycled junk can be reused to create artwork or other things.

Etching tools can be used to create patterns by scratching into a surface.

Camouflage allows animals and insects to blend into their surroundings so they cannot be seen.
