Overview

We are learning to retell Bible stories when miracles have happened and question whether Jesus really did perform miracles.

Key Points of Learning (RAG at end of each session)

I can describe the story of Jesus healing the blind man

I can talk about the story of the paralysed man.

I can think about ways to 'heal' myself.

I can think about whether stories from long ago are true or not

I can compare two stories from the bible

I can think about messages stories from the Bible are trying to get across

Questions I want to Investigate now ...

What does the word 'miracle' mean to me? How do I feel about miracles both then and now? Can I think of any modern-day occurrences which could be described as, or which I believe to be, miraculous?
