

# Subject: How should we live and who should inspire us?

## Overview

We are learning to identify what makes a good leader. We will think about characteristics of inspiring leaders and how those compare to our own characteristics.

## Key Points of Learning (RAG at end of each session):

I can name some people I know who are leaders

I can think about what motivates them and how they act

I can name some children who have acted 'inspirationally'

I can name some famous religious leaders

I can name some of my characteristics and talk about how I want to be in my future

## Key Vocabulary

Integrity

Values

Motivation

Persecution

Questions I want to Investigate now ...what is important to me?  
How do I want the world to see me? What stories have I heard that have inspired me?
