In this unit, children will explore a range of uses for coding and programming that builds on skills learnt in previous units. Children will design and programme simple games, create storyboards and explore podcasts as part of this unit

Key Points of Learning

To create a simple space invader game
To create and export digital graphics to use in game play
To be able to create a story board
To create an interactive solar system game
To be able to retell an historic story
To be able to create a podcast

Useful Websites

Internet Matters
BBC Bitesize (KS1)

Key Vocabulary

Coding
Programming
Digital Graphics
Podcast
Create

Questions I want to Investigate now ...

SMART

Stay Safe
Don't give out your personal information to people / places you don't know.

Don't Meet Up
Meeting someone you have only been in touch with online can be dangerous. Always check with an adult you trust.

Accepting Files
Accepting emails, files, pictures or texts from people you don't know can cause problems.

Reliable?
Check information before you believe it. Is the person or website telling the truth?

Tell Someone
Tell an adult if someone or something makes you feel worried or uncomfortable.

Follow these SMART tips to keep yourself safe online!
