

Dear families

School Milk Scheme

Every child under the age of 5 is entitled to free school milk and every child over the age of 5 is entitled to milk at a subsidised price.

If you would like your child to receive milk at school, please register [here](#).

Once your child is registered, they will receive their carton of milk during morning break.

If your child is over 5, all payments for subsidised milk are made directly to Cool

Milk and all communication should be between yourselves and Cool Milk should

you have any queries.

Yours sincerely

Richard Bamber

Head Teacher
